

Simply MLCP

Product Overview:

Simply MLCP is designed to make installing UFH pipe as stress free as possible. The Aluminum layer of the pipe gives the MLCP a memory function. This means that once you form a shape with the pipework it will retain the shape made.

Our 16mm coils are readily available in 100m 200m coils and 500m coils, The delivery on these items are available cross the country next day. It is also WRAS approved meaning the pipe work can be used for a multitude of functions including drinking water.
